

Thursday, November 7, 2019/LAS Resident November Meeting

Attendance: Debby Combs, Johanna Kremer, Becky Linhardt, Teresa Nieberding, Lucinda Peterson, Tom Post, and Terri Wiseman. (Pete, the building's Christmas lights guy, was a special guest! :)

LAS MEETING NOTES:

1. THE 2019 LAS HOLIDAY ART SHOW WILL BE SATURDAY, DECEMBER 7, (1-4 PM) **AND** SATURDAY, DECEMBER 14, (3-7 PM)!

All residents are encouraged to participate in one or both LAS holiday studio events!

*We will begin marketing next week, so we need to know ASAP who will be participating. Please contact Johanna Kremer if you plan to participate in either one — or both! — by this **Monday, Nov. 11**, so you can be included in the communications (jkremer2015@gmail.com).*

SATURDAY, DECEMBER 14, HOLIDAY ART SHOW:

We're also joining with the annual Loveland Elementary Children's Art Show for the second LAS Saturday holiday event (December 14, 3-7 PM).

The children's show traditionally runs from 4-6 PM, with Shawn's Artists' Reception from 7-10 PM. (See right.)

Participating artists bring a dessert/appetizer to share for the 7-10 PM evening reception. Shawn provides the pizza and wine. Our own Bobby Sharp provides the music. You don't want to miss this!

FYI: Saturday, Dec. 14, from 4-9 PM is also "Christmas in Loveland," sponsored by the local Chamber of Commerce. They plan to have Santa & Mrs. Claus, a live nativity scene, and more — and they say this event draws more than 3,000 annually. Our goal is to entice them to join us as well!

SATURDAY, DECEMBER 7, LAS HOLIDAY SHOW DETAILS TO DATE...

TIME: 1-4 PM

REFRESHMENTS:

- LAS Provides a Coffee/Cocoa/Cider Bar for Guests that day.
- Participating studio members provide cookies/dessert of choice.
- Participating Studio Members pay \$5 for guest drink bar. *NOTE: Johanna is collecting \$ — just put your \$5 in an envelope and place it under her studio door (Studio 125).*

4. Open Forum/Announcements/News

- **WELCOME:** New Residents!
Debby Combs (Studio 111) Replaces Richie Terbush
Katie Mosley (Studio 202) Replaces Regina Viars
- **RESIDENT NEWS:** **Bobby Sharp's** band (Studio126/Souls of Orange & Slice of Orange) will be playing in downtown Loveland at Bishop's Quarter from 7-10 PM on Thursday, Nov. 14 (next week!) and Thursday, Dec. 12. **Kim Wanamaker** (Studio 114) will be singing with them! (*Sounds like a great time to enjoy dinner out, don't you think?!*)
- **LET THERE BE LIGHTS!** The building Christmas lights are on! Thank Shawn (and Pete, who visited our meeting yesterday) when you get a chance.

- **WHO DOES WHAT?:** For those of you who are relatively new,

below are the people who assist with LAS building “stuff” — please communicate with them to keep everything up to date!

- **Website:** Rick Jackson, webmaster, L-MKTG.com (Send info to Shawn or Johanna)
 - **Facebook:** Jamie Morath (Studio 109/jmorath541@gmail.com)
 - **Instagram:** Mary Beth Thompson Dowlin (Studio 124/chappy1paints@gmail.com)
 - **Twitter:** Need a Volunteer!
 - **Studio Info Frames/Wall:** This is a DIY project — frames are located on top of the mailbox.
 - **Wall Directory/Mailbox Update:** Bob Kessler (Studio 116/kessler@fuse.net) FYI, check the list at the end of this update to see if your info is accurate.
 - **LAS Communications:** Johanna Kremer (Studio 125/jkremer2015@gmail.com)
- **SCHEDULING EVENTS:** Communicate your info to the website (and copy Shawn) to schedule an event. Starting next week, there will also be a monthly calendar on the LAS Bulletin Board (located in front of the restrooms at the end of the gallery by the tables). So far, it's been mostly a first-come, first-serve thing, but it always helps to give the LAS residents (and Shawn) a heads up if you are planning an Open House or meeting or party, etc.
 - **TABLE PR IN FOYER:** Feel free to put your business cards/announcements out on the black table.
 - **CHALKBOARD IN THE FOYER:** Feel free to post announcements on the chalkboard!
 - **INTERNET:** FYI, the Internet password is shawn123 (thanks Bob Kessler). Shawn mentioned that you can use your cell phone as a hot spot if you need an extra boost. You can also purchase a WiFi extender. Shawn uses Linksys, so you would need to get one compatible with that (so I'm told by the genius staff at Best Buy :). Tom Post (Studio 101) uses one, so you may be able to get some advice from him as well.
 - **MONTHLY MEETINGS:** To add some consistency to our internal communications, we will hold monthly meetings at 7 PM during the first Thursday of each month in the main gallery table area. Come with your questions, ideas, concerns, or email Johanna.
