

# ABOUT

The formation of this new non-profit art organization can be traced to the 2019 Loveland Art Show. The

previous arts council no longer sponsored the event, so a group of local artists partnered with the City of Loveland to bring back this beloved tradition.

The success of that event sparked a desire to initiate an art-advocacy organization. Local artists continued to meet, and in April 2021 they mapped out a "Loveland Art District" vision that they shared with the City Council's new Arts Commission.

Afterward, the artists held a public meeting to formally organize their efforts. This gathering resulted in the formation of the first annual

Loveland Art Gallery Crawl, held in June 2021.

The 2022 LAGC will be held June 25, 4-9 PM.

The Art Crawl's success led to the formal organizing of the Art League of Loveland (or ALL), the city's new non-profit, visual arts advocacy organization. We encourage you to join our efforts to SPARK ART throughout the city! ALL are welcome!
